Access credentials for academic peer reviewers

This document aims to provide the credentials assigned by Fundación Universitaria Compensar for access to the institutional E-Learning Solution to the peer reviewers assigned by QM, so that they can access and navigate the course that is in the certification process.

We invite you to watch the following video tutorial, which suggests the preliminary browser configuration to access the E-Learning Solution. Click here

Link and credentials

Below, you will find the link and access credentials to the UCompensar E-Learning Solution:

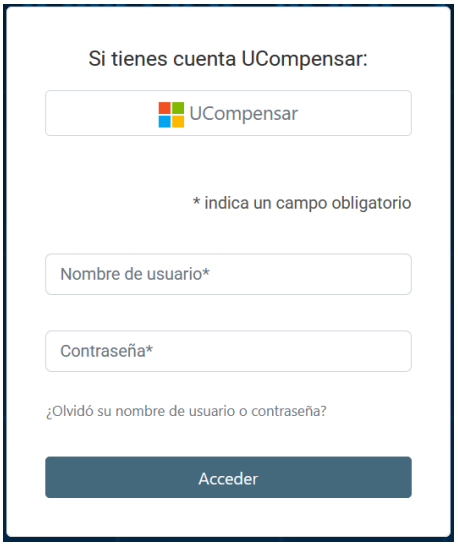

Access link: https://virtual.ucompensar.edu.co/

Once the link is executed, the login page will open. Then, you must enter the Username and Password, which you can view below. Finally, click on the access button.

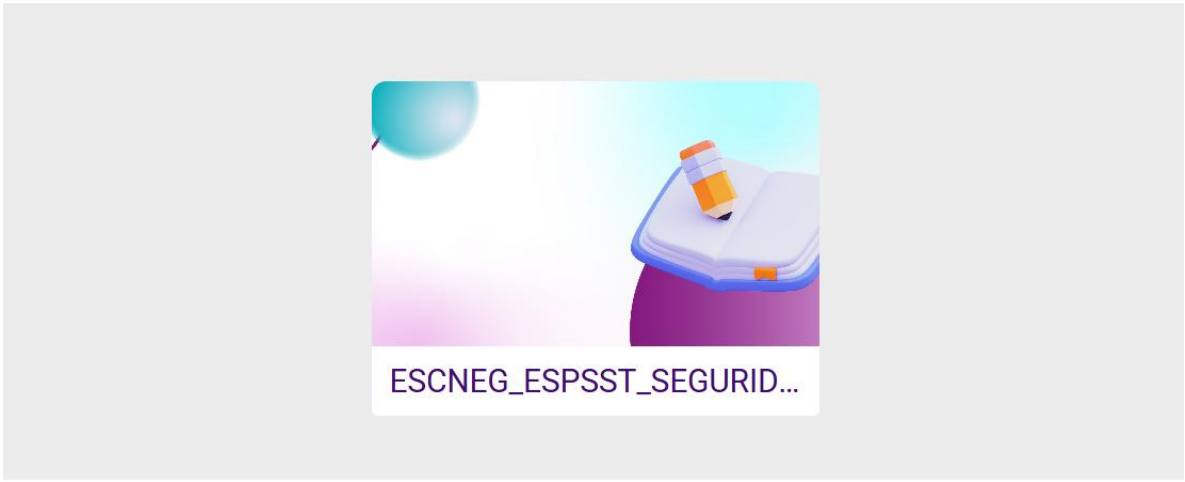

Access credentials:

Username: paresqm1

Password: ParesQM2026*

Below, you will be able to identify the assigned courses; select the course and enter to view the content.

Enrolled courses

The following link directly redirects to the course that has been created for teacher and student training, and in which the assigned user is enrolled.

Course name: Industrial safety
Credits: 3
Link: https://virtual.ucompensar.edu.co/course/view.php?id=66879

If you encounter any inconvenience when logging in or navigating through the courses in the E-Learning Solution, you can contact us via the email soportevirtual@ucompensar.edu.co
